

# 60 Second Interview with Student Ambassador, Hannah Spires

Hannah Spires, year 1 student

## **What subjects do you study?**

Maths, biology and music. My enrichment activities include choir, jazz band and the Student Ambassador programme.

## **Why did you decide to become a Student Ambassador**

I signed up at the enrichment fair.

## **Why did you want to become an Student Ambassador?**

I wanted to learn new skills and become more confident when talking to people.

## **What have you enjoyed most about being a Student Ambassador?**

I've enjoyed helping out at Open Evenings and the Christmas Fair. I really like meeting new people and I feel more confident in myself overall.

## **Would you recommend the Student Ambassador programme to other students?**

I would definitely recommend it! I think it's a good opportunity for learning new skills that will look great on a C.V.

## **What do you enjoy most about the college?**

I think it's great being able to meet many new people in lessons, as well as in the many different enrichment activities that are on offer. The teachers are all very friendly and will spend extra time to help you.
